

OH NO!

**I think I have
COVID-19.
What should
I do?!**

**Why is
everyone
buying so
much toilet
paper?**

**Why am I
quarantined?**

**Yuck!
What is on
my hands?**

**HELP! I'm a
anti-vaxxer.
How can I
protect my
baby from
the measles?**

**_____ is
FAKE NEWS.**

**Why did I
wake up in
the intensive
care unit?**

**While I was at
the grocery
store, I stocked
up on _____.**

**All I want is
_____, is
that so much
to ask for?**

**From what I
heard,
COVID-19 is
actually
_____.**

_____ is
contagious!

I don't need
to social
distance
because I am
_____.

In 9 months,
I predict
_____.

I'm not
scared, I'm
just _____.

Why am I
waiting in the
emergency
room?

A little bit of
_____ will
make it all go
away.

toilet paper.
GLORIOUS
toilet paper.

**CDC approved
face masks**

CDC does not
recommend that
healthy people wear
facemasks to
“protect themselves”
in public. Just stay
home.

**kleenex
because all
the toilet
paper was
gone and I
really need to
wipe my bum**

**a biological
weapon**

COVID-19 is a
naturally occurring
virus. It was NOT
made in a lab and it
is NOT a biological
weapon. Scientists
are still investigating
its origin.

fake news

There is a lot of inaccurate information out there. Here's a list of good sources to go to: Health Canada, AHS, WHO, CDC and Mayo Clinic website.

 DoctorsAgainstTragedies.com

food and water because I'm S-M-R-T

 DoctorsAgainstTragedies.com

only the bare minimum of what I need because I'm not an asshole

 DoctorsAgainstTragedies.com

Dr. Andrew Wakefield

An infamous doctor who published **fraudulent** research connecting MMR vaccine to autism (he made it all up).

 DoctorsAgainstTragedies.com

measles is just a rash, it can't kill you

Measles is not just a rash, it is a highly contagious infectious disease. It can kill you. Get vaccinated.

 DoctorsAgainstTragedies.com

screw groceries, buy guns

 DoctorsAgainstTragedies.com

a gob of spit in the face of mankind

 DoctorsAgainstTragedies.com

vitamins because they are all natural

 DoctorsAgainstTragedies.com

asking online strangers to send positive healing vibes

 DoctorsAgainstTragedies.com

it's in the air, IT'S IN THE AIR!!

COVID-19 spreads through droplets generated by coughing or sneezing. It is NOT truly 'airborne'.

 DoctorsAgainstTragedies.com

so tired of social distancing

Social distancing is proven to be one of the most effective ways to reduce the spread of illness during an outbreak.

 DoctorsAgainstTragedies.com

curable by gargling salt water

Gargling with saltwater may help make your throat feel better but it does not prevent or cure infection.

 DoctorsAgainstTragedies.com

a socialist attempt to destroy our capitalist economy

 DoctorsAgainstTragedies.com

everyone will forget about COVID-19, just like they forgot about SARS, which was also a coronavirus

 DoctorsAgainstTragedies.com

stay the fuck home and use the AHS online tool or call 811

Google "AHS online COVID-19 tool" to determine whether you need to be tested and where to go if you do.

 DoctorsAgainstTragedies.com

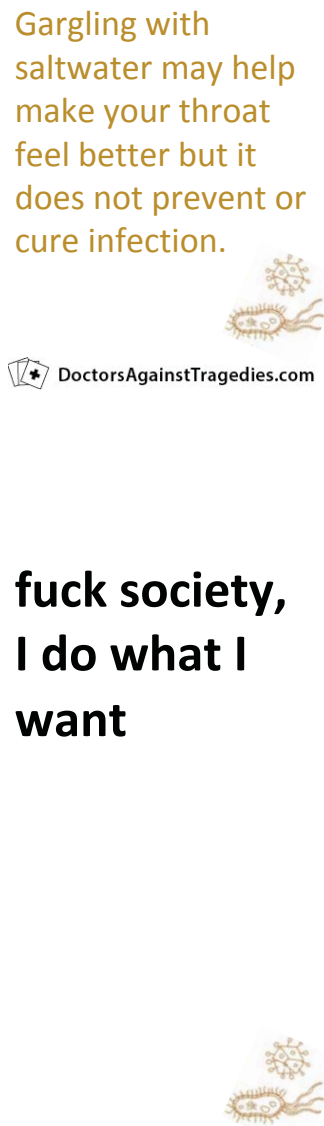

suffering from a stiff neck and a little lock-jaw

Tetanus can cause painful muscle contractions, lock jaw, difficulty breathing and death.

 DoctorsAgainstTragedies.com

fuck society, I do what I want

 DoctorsAgainstTragedies.com

so confused about what social distancing actually means

Stay at home, avoid gatherings, keep at least 2m away from others.

 DoctorsAgainstTragedies.com

there's mercury in vaccinations. MERCURY.

Childhood vaccinations do NOT contain thimerosal, a mercury based preservatives.

 DoctorsAgainstTragedies.com

essential oils

Essential oils do **NOT** protect you against bacteria or viruses.

 DoctorsAgainstTragedies.com

vaccinations cause autism

No, vaccinations do not cause autism. It was all made up by Dr. Wakefield who published **fraudulent** research connecting MMR vaccine to autism.

 DoctorsAgainstTragedies.com

it's all a conspiracy theory

 DoctorsAgainstTragedies.com

doctors are in deep with BIG PHARMA!!

No. No we are not.

 DoctorsAgainstTragedies.com

I got the flu from the flu shot

The flu vaccines cannot cause influenza.

 DoctorsAgainstTragedies.com

what doesn't kill you, makes you stronger

 DoctorsAgainstTragedies.com

the photos of people with polio are all staged, just like landing on the moon

 DoctorsAgainstTragedies.com

the "China Virus" as Trump likes to call it

This is just racist. Please. Just. Stop. In Canada, we have zero tolerance for racism.

 DoctorsAgainstTragedies.com

the results of daycare

 DoctorsAgainstTragedies.com

foaming at the mouth

Rabies is a viral disease that causes inflammation the brain. It can cause partial paralysis, anxiety, insomnia, confusion, agitation, paranoia and death.

 DoctorsAgainstTragedies.com

another Ebola outbreak

Ebola Virus Disease (EVD) is a rare and deadly disease. It can cause fever, hemorrhaging, diarrhea and death.

 DoctorsAgainstTragedies.com

refusing to wash my hands in fear of dry skin

 DoctorsAgainstTragedies.com

just call me Typhoid Mary

“Typhoid Mary” was a cook who was an asymptomatic carrier of Typhoid Fever. She infected many people because she did not wash her hands.

 DoctorsAgainstTragedies.com

can't cure stupidity

 DoctorsAgainstTragedies.com

Mad Cow Disease

Bovine spongiform encephalopathy (BSE), is a fatal disease affecting the central nervous system of adult cattle.

 DoctorsAgainstTragedies.com

just seeking attention by being controversial, I really don't give a fuck

 DoctorsAgainstTragedies.com

flesh-eating disease

Necrotizing fasciitis (NF) is an infection that results in necrosis (death) of soft tissue. It kills about 1 in 4 people infected with it.

 DoctorsAgainstTragedies.com

tuberculosis

TB is caused by a bacteria that generally affects the lungs but it can also affect other parts of the body. It was historically called "consumption".

 DoctorsAgainstTragedies.com

vaccines never cured anything

What about Smallpox? Due to worldwide vaccination programs, Smallpox was completely eradicated.

 DoctorsAgainstTragedies.com

butt water

 DoctorsAgainstTragedies.com

the curve will be so flat it'll be a straight line

That's the goal.

 DoctorsAgainstTragedies.com

a steaming hot pile of E.coli

E.coli is a type of bacteria that lives in the gut. It is usually harmless, however, some strains can cause diarrhea.

 DoctorsAgainstTragedies.com

layers and layers of bacteria

 DoctorsAgainstTragedies.com

someone else's bodily fluids

 DoctorsAgainstTragedies.com

it is my right as a parent to allow my own child to suffer and possibly die from preventable diseases

 DoctorsAgainstTragedies.com

government sanctioned house arrest on EVERYONE

 DoctorsAgainstTragedies.com

the Kissing Disease

Mono is a virus that is spread through saliva. Symptoms include fatigue, sore throat, swollen lymph nodes and a big swollen spleen.

 DoctorsAgainstTragedies.com

septic shock from eating a fairly pink looking hamburger

Make sure meat is properly handled and cooked.

 DoctorsAgainstTragedies.com

the blood of other children

 DoctorsAgainstTragedies.com

trying to cure myself with echinacea and rose hips

 DoctorsAgainstTragedies.com
